

Austin Independent School District GT Advocates 2011-12

The Campus GT Advocate is the person primarily responsible for overseeing Gifted/Talented services on each campus. These advocates support the identification of, and delivery of services to gifted students, provide information and support to parents of GT students, and provide a communications and support link for teachers of GT students. The GT Co-Advocate assists with procedural tasks and screening procedures assigned to the GT Advocate.

Elementary School GT Advocates 2011-2012

<u>Campus</u>	<u>Advocate</u>	<u>Co-Advocate</u>
