

**District Advisory Council
2011-2012 Budget Priorities**

Based on the responses of DAC members to the community budget survey, the top 5 priorities of the DAC, in rank order, are:

- #1 Implement an aggressive energy savings program.
- #2 Implement a 4-day/10-hour work week in July to save on energy costs.
- #3 Continue the current central office hiring freeze and impose a 30-day wait to fill vacant positions.
- #4 Obtain fixed pricing for fuel to avoid annual projected increases.
- #5 Eliminate all centrally funded food.
