*Other (specific campuses) _____

*You will only be called by the campuses specified on this list.

Adaptive PE – Small groups of children that require special physical education instruction. May travel to various campuses throughout the day.

Bilingual – A general education class where two languages (English and Spanish) are used to deliver instruction to children who have been identified as bilingual.

CATE – Career and Technology classes such as Agriculture, Culinary Arts, Marketing, Media Technology, Tech Ed, etc.

Content Mastery Center (CMC) – Identified students with learning disabilities who receive direct instruction in the regular classroom setting, then receive special assistance for individualized work in the **CMC** lab either as needed or as dictated by the individual education plan (IEP).

Early Childhood (EC) – Children ages 3 through 5 who have been identified as disabled are served in this program.

Social Behavior Skills (SBS) – This classroom is highly structured to provide a framework in which a student with emotional disabilities can benefit from the educational experience. Appropriate social and interactive skills are emphasized.

English As a Second Language (ESL) – Students placed in ESL should have some English skills but may not.

Multiple Handicapped / Life Skills – Students with the most significant educational needs receive special education instruction throughout their school day in basic academics and daily living skills.

Mental Retardation (MR) – Students who are diagnosed with congenital intelligence impairment.

Severely and Profoundly Handicapped (SPH) - Students with the most significant physical / mental needs receive special services through this program. May require diapering, feeding and lifting.

DELTA Program – A self-paced computer based program that allows students that are behind in schoolwork to catch up.

Please check the areas you are willing to substitute in. The system will recognize these as your preferences to work.
