

**Citizens Budget Review Committee**  
**Summary of March 31, 2009 Meeting**  
**6:30 – 9:00pm**

The meeting began with introductions of all present.

The Co-Chairs led a discussion of the CBRC Charge that was approved by the Board of Trustees. Much discussion focused on the scope of the charge in attempting to understand what was and was not meant by some of the language in the charge as well as whether there were elements of the charge that were intended but not specified.

During this discussion on the charge, Board President Mark Williams joined the meeting and provided his thoughts on the charge, which were not intended to be definitive statements coming from the Board. The CBRC Co-Chairs, as noted in the charge, will be meeting with the Board officers regularly and doing so will the opportunity to have continued clarification of the charge.

Steve West, Interim Chief Financial Officers, provided a fiscal overview of the District. His presentation his posted on the CBRC website. CBRC members asked questions to gain further understanding.
